

WP Website CREATION & SUPPORT

From website creation to ongoing support, keeping your site working for you.

MEET RICKY.

I have been working with WordPress and website management since 2010, developing hands-on experience in creating, updating, and maintaining websites. Over the years, this experience has helped me develop a creative and practical approach to website design, content, layout, and user experience.

My goal is to keep your website professional, functional, and up to date—so you can focus on running your business instead of managing the technical details.

WHAT I TAKE CARE OF.

The website tasks you can hand over with confidence.

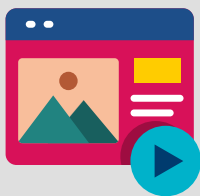

WordPress Website Setup

Setting up and structuring a professional WordPress website.

Website Design & Layout

Creating clean, visually appealing layouts that reflect the business.

Website Content Updates

Adding, editing, and organizing text, images, pages, and other content.

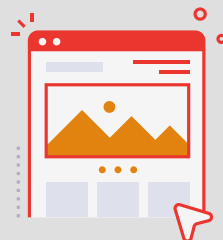

Landing Pages

Creating focused landing pages designed around a specific service, offer, or goal.

Website Maintenance & Updates

Keeping website content, plugins, themes, and basic settings up to date.

Mobile-Friendly Updates

Making sure website content and layouts work well across different screen sizes.

Basic SEO Support

Supporting basic on-page SEO elements such as titles, headings, descriptions, and content structure.

Website Troubleshooting

Helping identify and resolve common WordPress content, layout, and functionality issues.

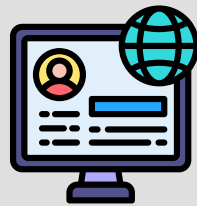

From creation to updates, I help keep your website professional and functional.

IMPACT.

Keeping your website useful, professional, and up to date.

Professional Online Presence

A website that reflects your business professionally.

Better User Experience

Clear, responsive, and easy-to-navigate pages.

Clearer Service Presentation

Help visitors quickly understand what you offer.

Fresh & Up-to-Date Content

Keep information, services, and visuals relevant.

Better Online Visibility

Support basic SEO and help customers find your business.

Stronger Customer Confidence

A polished website can make your business feel more credible and trustworthy.

A professional, up-to-date website helps customers find, understand, and connect with your business.

FEATURED PROJECT — 01

Smile Dent — A Dental Clinic Services

WordPress Website Creation

A professional website concept created for a dental clinic, designed to present its services clearly and provide a welcoming online experience for potential patients.

Project Objective

To create a professional, user-friendly website that helps patients understand the clinic, explore its services, and easily find the information they need.

What I Worked

1. 🏠 Home Page
2. 🦷 Services Page
3. 👥 About Us
4. 📰 News / Blog Page
5. ☎️ Contact Page
6. 📱 Mobile Responsive Design

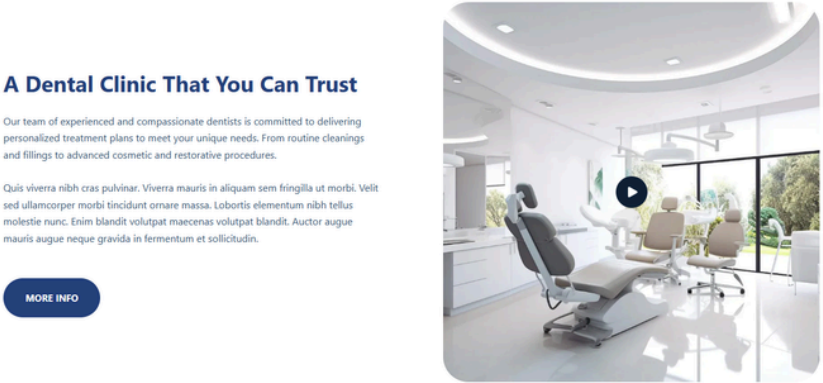

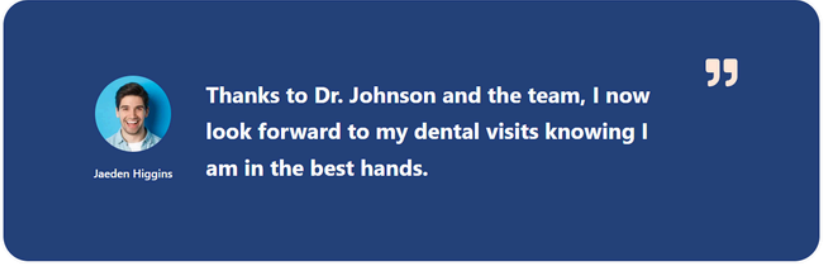

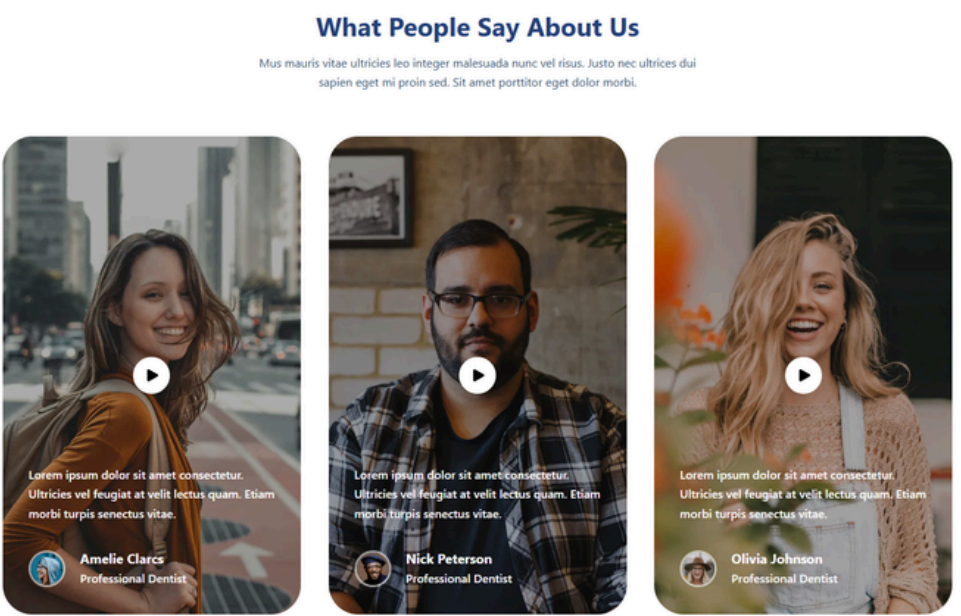

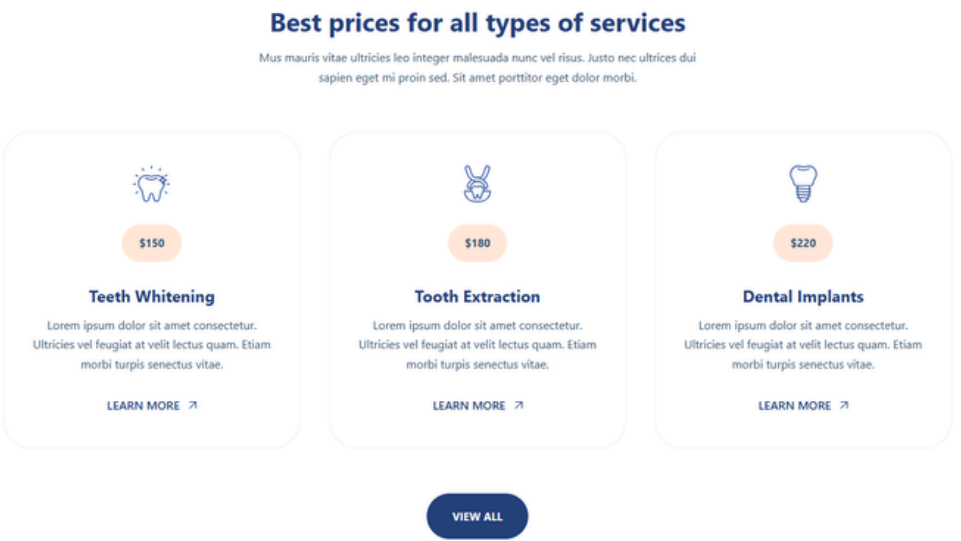

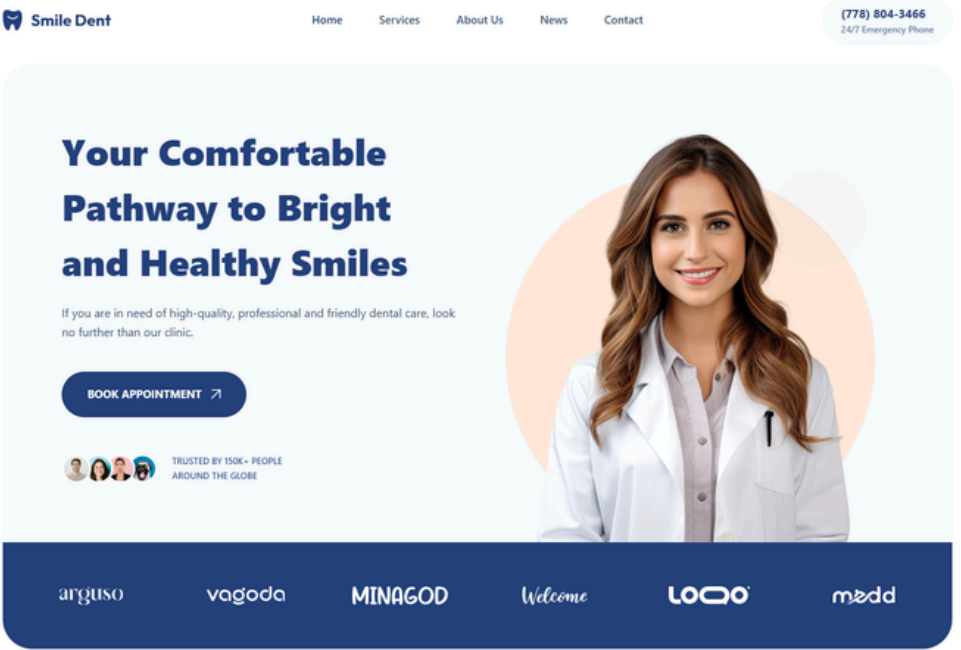

RICKY

FEATURED PROJECT – 01

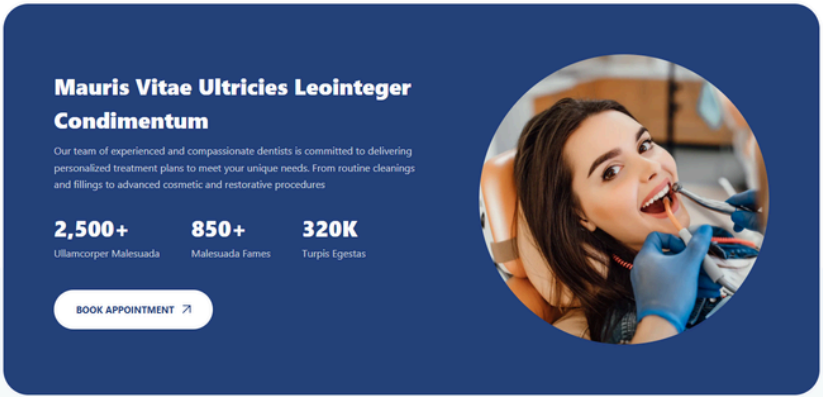

01. 🏠 Home Page Design

A clean, professional homepage designed to introduce the business and guide visitors to key information.

A cheerful design with pastel colors and rounded elements to showcase dental services with clarity and appeal.

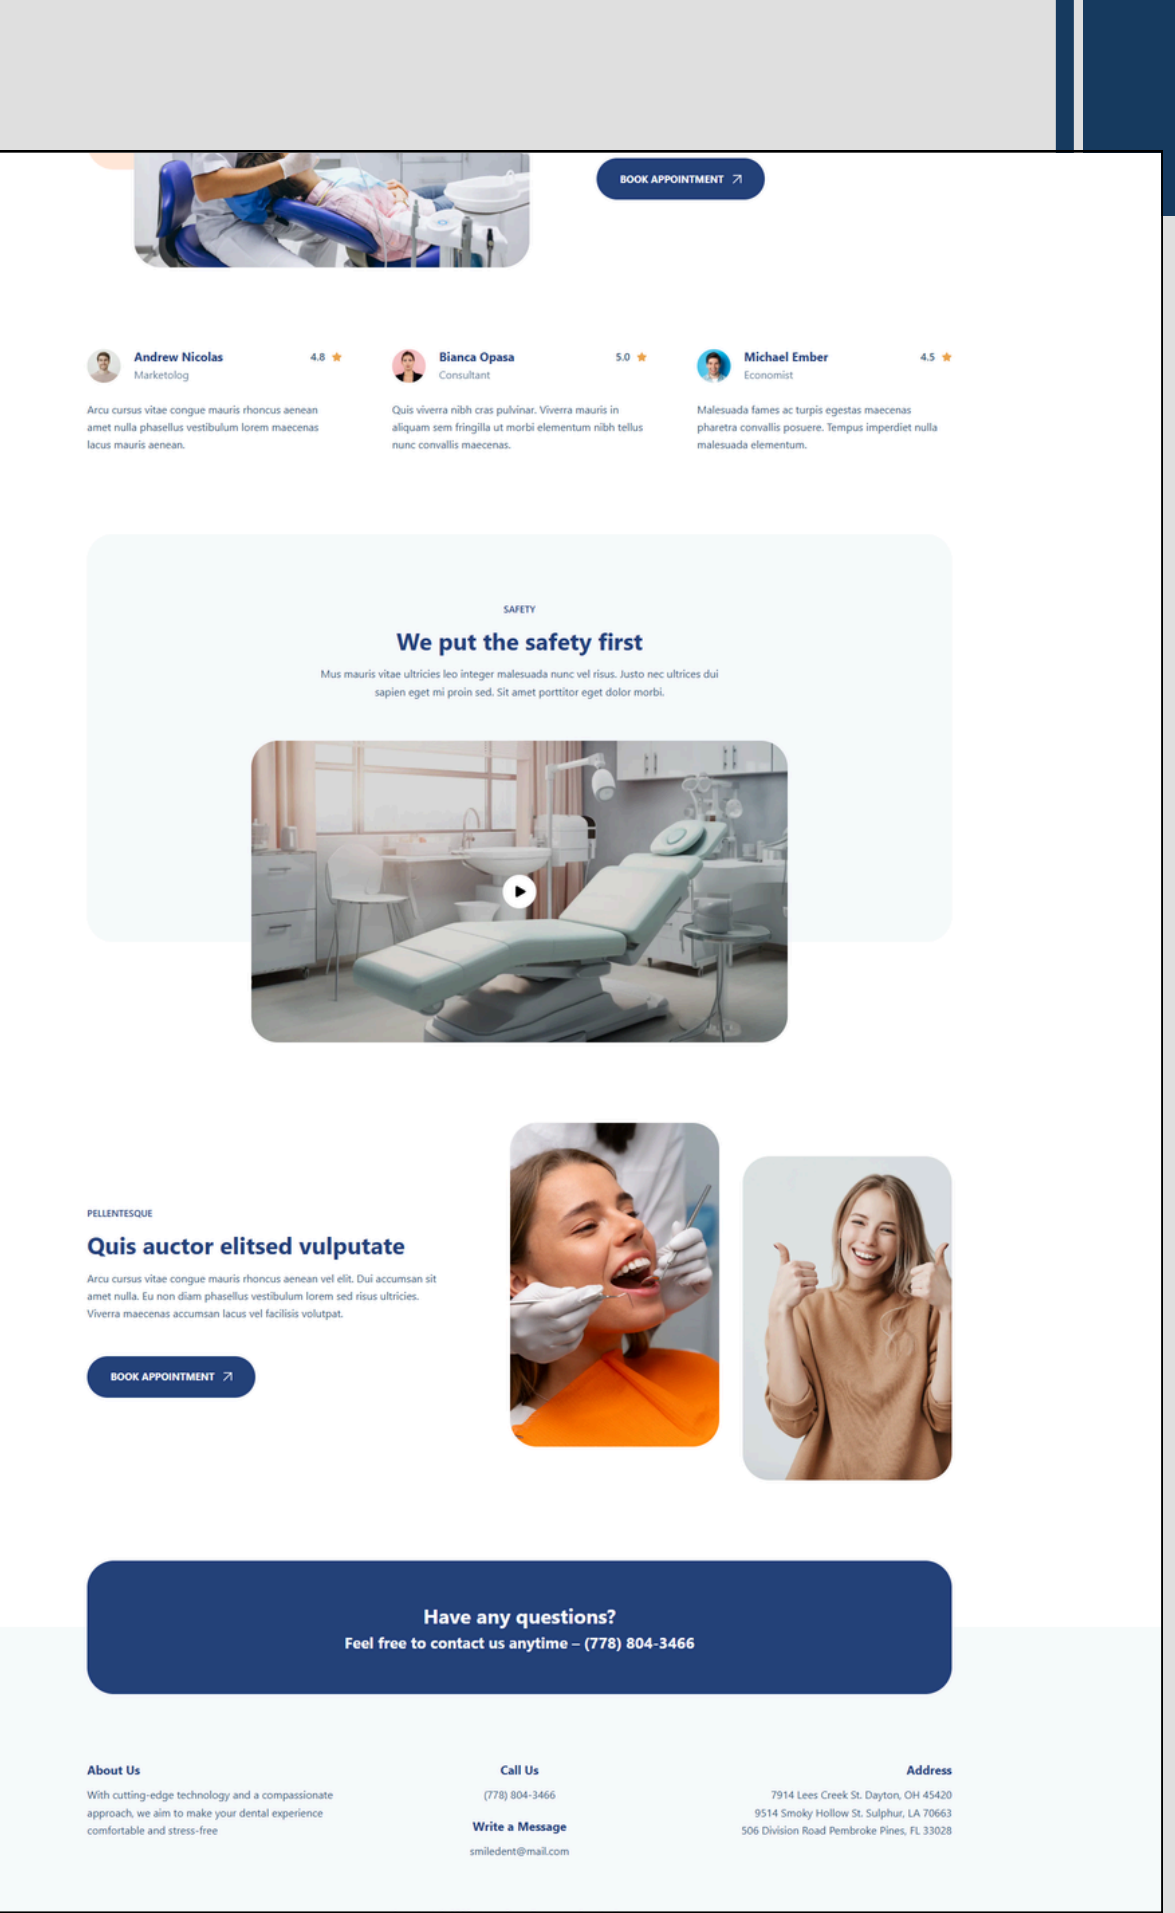

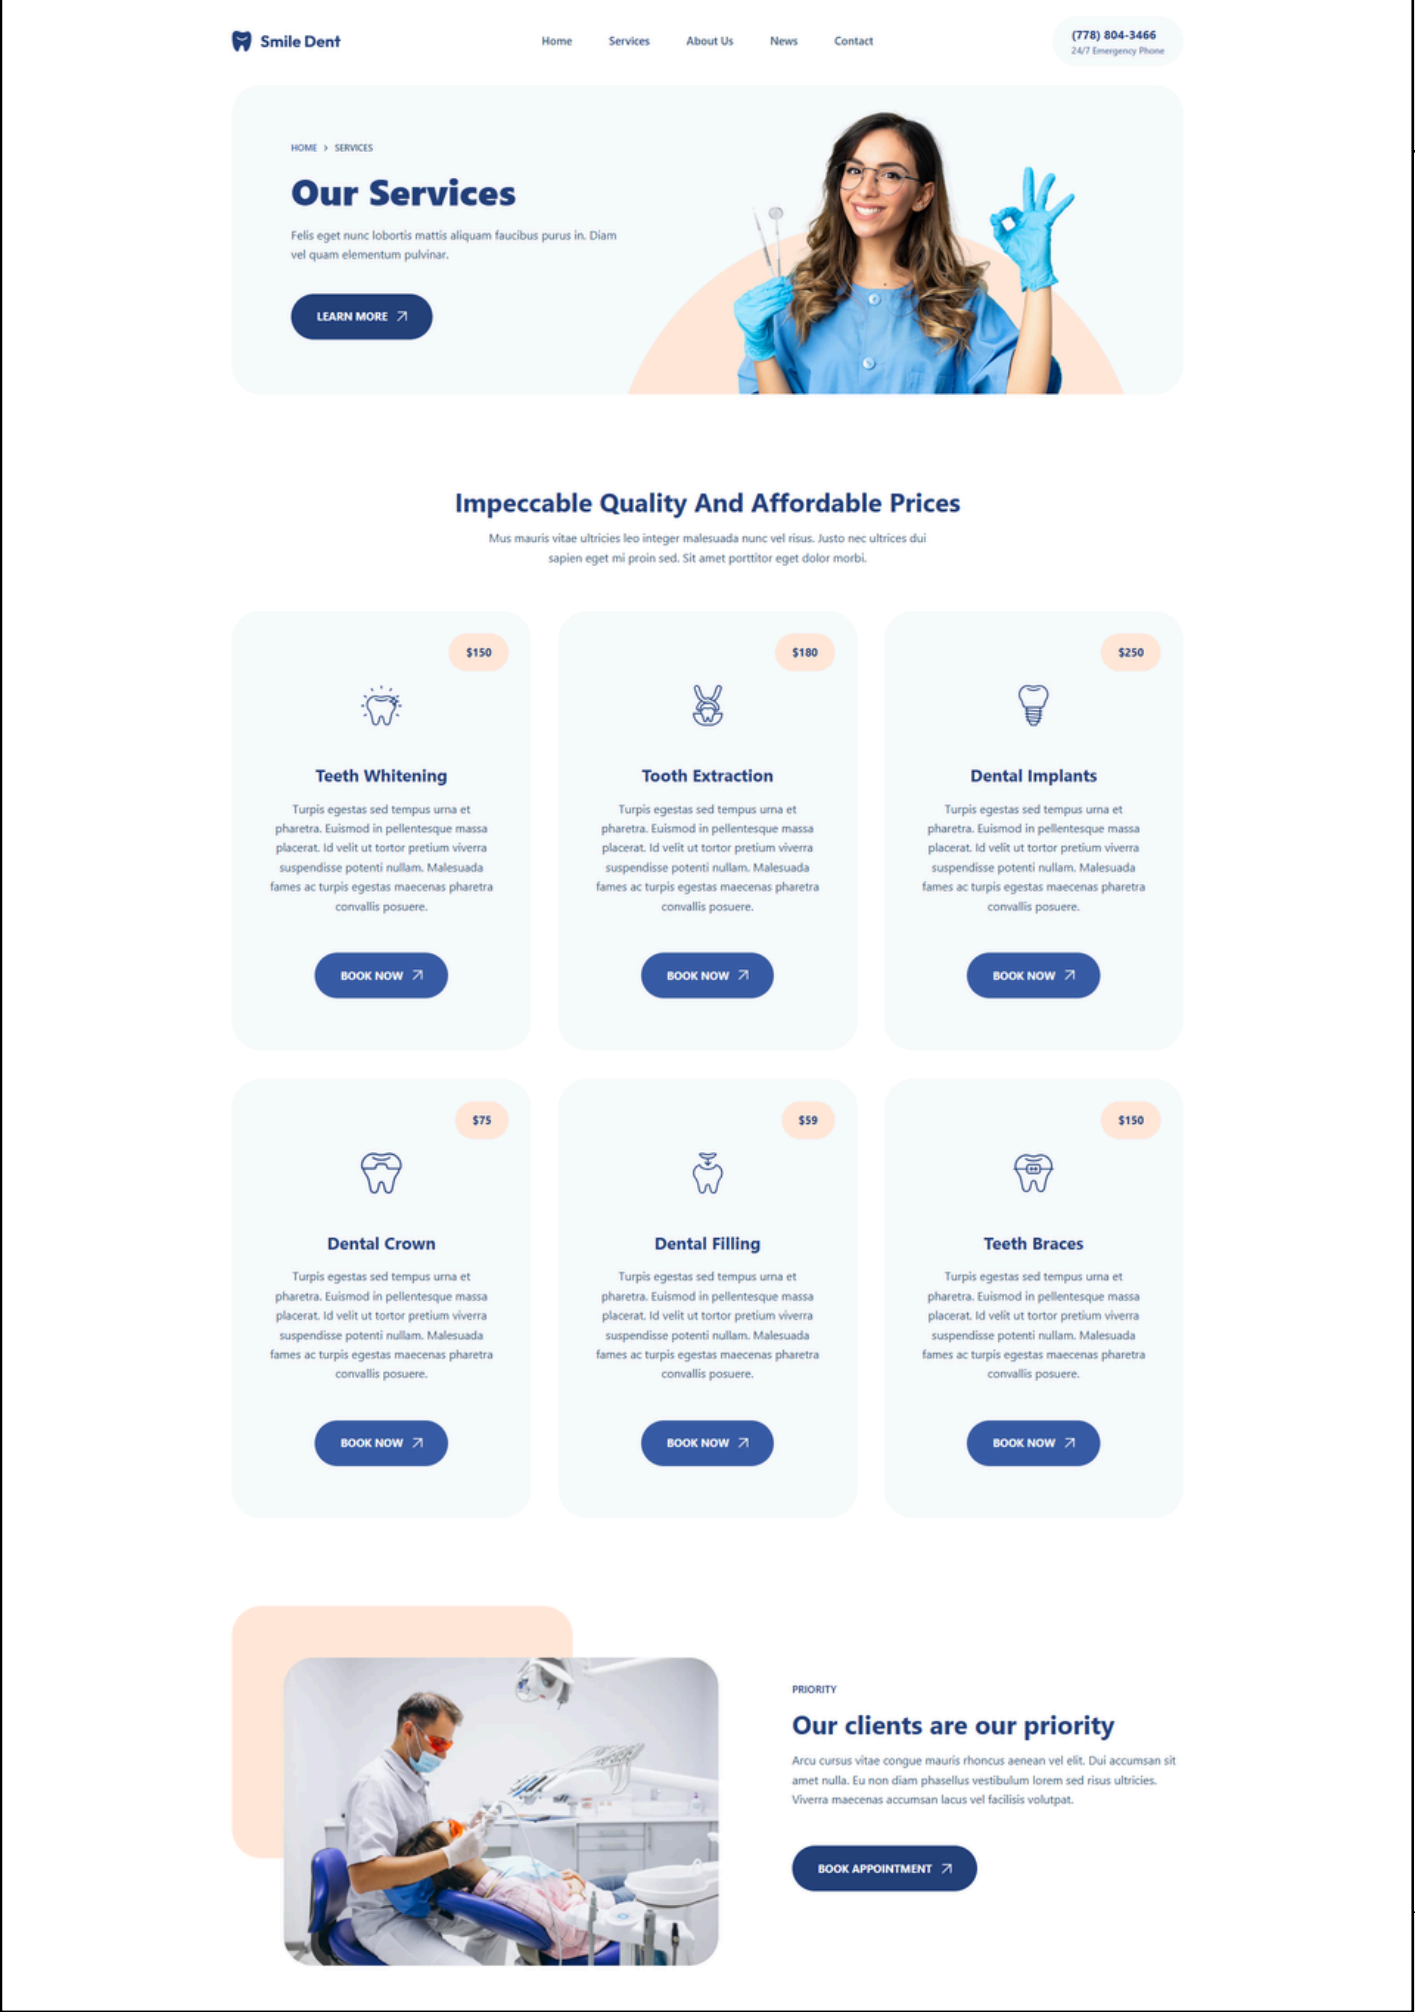

- ✓ Professional Dentists
 - ✓ Quality Assurance
 - ✓ Painless Procedure
- CALL NOW

WHAT MY CLIENT SAYS

Feedback from a business owner I support

This testimonial reflect feedback from client I currently support in other areas of business support.

I've had the pleasure of working with Ricky since 2010, and he has been an exceptional asset to our team. He is incredibly reliable, detail-oriented, and always responsive to our needs. More than that, Ricky is someone we've always been able to count on.... he's dependable, flexible, and a truly valuable partner to our business. Ricky's been a trusted partner through it all and we continue to rely on his services to this day.
